QL INDUCTION LIGHTING SYSTEM WARRANTY

This warranty certifies that the QL Company QL Induction Lighting System will perform satisfactorily.

1. QL Company warrants that the QL systems will comply with their published specifications and be free of defects in material and workmanship.

2. The QL systems must be installed in appropriate fixtures designed according to the guidelines in the QL Original Equipment Manufacturers Guide, handled and operated properly, and operated at or below the maximum temperature limits as defined in the QL Original Equipment Manufacturers Guide.

   A. Maximum case temperature for the HF generator is 72° Celsius.
   This is applicable to ALL types of QL HF generators.

   B. Maximum power coupler mounting flange temperature is 100° Celsius.
   This is applicable to ALL types of QL power couplers.

   C. Maximum amalgam temperature is 105° Celsius.
   This is applicable to ALL types of QL lamps.

3. QL Company warrants the QL system when installed and operated as set forth above as follows:

   Any QL systems that fail to operate within a 5-year period after receipt will be fully credited. Based on an evaluation of the fixture by QL Company the warranty can be extended to 10 years after receipt according the following table:

0-5 year	6th year	7th year	8th year	9th year	10th year
Fully credited (100%)	50 %	40 %	30 %	20 %	10 %

This warranty is effective provided adequate records of operating history are kept and that QL systems are operated properly. QL systems must be made available for inspection and verification of non-conformance by QL Company.

THE FOREGOING WARRANTY IS EXCLUSIVE, AND THE SOLE REMEDY FOR ANY AND ALL CLAIMS, IN CONTRACT, IN TORT OR OTHERWISE, ARISING FROM THE FAILURE OF THE QL INDUCTION LIGHTING SYSTEM AND IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTY ARISING FROM COURSE OF DEALING OR USAGE OR TRADE.

The liability of QL Company under this warranty shall be limited to the replacement of QL System materials or credits as noted herein. In no event shall QL Company be liable for any special, indirect, incidental or consequential damages.
